Welcome to our 'Church Building Survey' We need your views!

Your responses in this survey will really make a difference as our PCC considers how we might reimagine St Mary's to suit the needs of our church and wider community today and for the generations to come - we'd love responses from each member of St Mary's!

Your personal data and the responses you send will be confidential and read only by the two individuals selected by PCC to compile the results - the compiled survey responses will be anonymised.

St Mary's Data Protection Policy can be read on our website:

How do you believe the church building should be used?

Tick all of those you are comfortable with

- Sunday and Weekday Worship - in a variety of styles
- Occasional Offices (Weddings/Funerals)
- Personal prayer at any time of day
- Christian based meetings/groups (Alpha course and similar)
- Outreach to casual visitors/tourists

- Drama/music (plays/concerts), art displays and exhibitions
- A community gathering space/day centre/lunch club
- A place to discover local/St Mary's history

Do you think local people see the church as central to the life of the community?

Yes No

If yes, what do you think we offer that is central to local community life?

If no, what could we offer/do to improve the way we are seen by others?

Is the outside of our building inviting? (Maybe go outside and think whether you would come in if you were a visitor to the church/Whittlesey.)

Yes No

What is good?

What could be better?

Our church needs to be flexible for worship and community use. It also needs to be accessible to everyone, able-bodied, wheelchair users, the infirm and children of all ages. **The PCC propose to remove the pews and replace them with chairs and a level flooring.**

Do you agree that this should happen?

Yes No

The PCC propose to install a transparent glass door at the entrance of our church. Do you agree that this should happen?

Yes No

The PCC propose to install 2-3 WCs (toilets) within the church building. Do you agree that this should happen?

Yes No

The PCC propose to install kitchen facilities within the church building. Do you agree that this should happen?

Yes No

The PCC propose to create a meeting room within the church building. This could be used for church meetings, prayer groups, discipleship courses and some of our mid-week worship in the colder months. Do you agree that this should happen?

Yes No

The PCC propose to create a Parish office within the church building. This would aid our Parish (and Benefice) administration and provide a space for potential future employees to work.

Do you agree that this should happen?

Yes No

The PCC have discussed the possibility of installing solar panels on the church (south) roof. Do you agree that this should happen?

Yes No

The PCC have discussed the possibility of exploring and installing a more effective and sustainable means of heating within the building. Do you agree that this should happen?

Yes No
